FAYETTEVILLE FREE LIBRARY

300 Orchard Street Fayetteville, NY 13066 | (315) 637-6374 | www.fflib.org

I feel comfortable there when I want a quiet place to read, use a computer, etc. The staff is always warm, welcoming, and knowledgeable. My library is my go to place when I am looking for a CD, DVD, a magazine, or a book. And I have recently learned how to download books, music, magazines, and movies on my computer.

-Ron B.

The FFL is a huge part of our life. The books and pleasant staff are a real source of comfort and education to me and my wife . One of us visits at least 2-3 times per week. Conveniently located in our town and easily accessed . We would be lost without this valuable resource.

-George & Patricia R.

There are so many interesting programs! I love the craft classes, the live music and informative lectures. The people are so nice and helpful!!

-Debra and Phoenix

It is a place at which anyone can feel comfortable. I love the adventures, knowledge, and dreams unlimited that are held within the library walls.

Everyone is friendly and helpful. Kids programs are AMAZING!

-The Faricy Family

It is more than just a place to find books. It is a place to find community. It means so much to have this wonderful library within reach.

-Meghan W.

I love the library because I have saved thousands of dollars using the library over the years! I start my day reading in bed for 2 hours. I love the staff for helping me check out books for my grandson and for printing music for my bands!

-Carol R.

People here are always kind and welcoming. Went out of their way during height of Covid to be here and make it easy and safe to pick up books. I had to be home months because I am immune compromised -- I appreciate all of you!

-Arlene W.

I do not have a computer and when I was out of work was able to take advantage of the library facilities for job hunting.

-Donna C.

Thank you for all you do for our community. We've come at every age and every stage. There is always something new.

-Megan M.

It's a safe space for my children to learn and socialize. There are so many offerings at the Fayetteville Library! <3 the Fab Lab!

-Lauren

It provides innovative services and programs. A pleasing indoor and outdoor environment to listen to music, read, meet friends and knit. Helpful staff. The library can be counted on to offer a welcome, inclusive space for all to enjoy. The library offered activities for children + curbside services during COVID.

-Linda M.

The staff are incredibly patient, helpful, and generous with ALL customers, and provide stimulating, diverse, exciting programs for all age groups. The building and furnishings are elegant and comfortable. I would live next door if I could, so I could spend more time there.

-Lynda H.

I love my library because we can always count on it (and the staff) in uncertain times! From providing great customer service to having crafts and programs for kids of all ages!

-Rachel N.

My children can enjoy and discover the world of reading! They love the atmosphere and learn and grow each time we come.

My 12 year old is a voracious reader and I love that she can get as many books as she wants to read! I love that FFL is a warm, inclusive, community space!
